

Country Inn & Suites – Mankato, MN Personal Wedding Web Page

As the world becomes more web savvy, we here at Country Inn & Suites – Mankato are excited to introduce a wonderful guest amenity! A personal web page for your family and friends to get all the information they need about your special event and book their overnight accommodations all in one convenient location.

As a thank you to those wedding couples that have booked their wedding reception in our conference center we extend this offer complimentary. This service is also available for those wedding couples who have chosen to use Country Inn & Suites – Mankato for their guest's overnight accommodations only.

Here is how it works; you would receive a personal web address that you can put in your invitations so that your family and friends can go right online to book their room under your wedding block with your special wedding rate on your personal web page!

If you would like your photo displayed on the web page you can email the photo to our office attention to events@sandcompanies.com, otherwise we have a collection of wedding related photos that may be substituted.

You may view an example of the live web page at our Country Inn & Suites – Mankato web site at: www.countryinns.com/mankatomn.

If you would like your own personal wedding web page just fill out the pages below and email to events@sandcompanies.com.

Please keep this sheet for further reference. If you have any further questions feel free to give me a call at (507) 388-3646.
