

Provide a Home-Away-From-Home for Cancer Patients

Help provide patients undergoing treatment at the Virginia G. Piper Cancer Center at Scottsdale Healthcare with a comfortable, convenient place to stay.

Your donation to the Gift of Life Lodging Program, created by Country Inns & Suites and the Virginia G. Piper Cancer Center in partnership with Scottsdale Healthcare Foundation, provides a complimentary stay for patients in need.

While you're experiencing country hospitality, you can assist someone who is a long way from home—just like you. Help in their journey as they receive the latest in cancer treatment.

Your donation will provide a warm and inviting place for patients to rest at Country Inns & Suites.

For more information on the Gift of Life Lodging Program, contact Joanne Gain, Scottsdale Healthcare Foundation at (480) 882-4541 or 1-866-592-7423 (SHCF).
