

To Our Valued Guests,

Our hotel is currently undergoing renovations. The renovation process will occur in three phases:

Phase 1~ Refresh of all hallway corridors to include new wall vinyl & lighting throughout. Some renovations to the guest rooms will be completed as well.

Phase 2~ Refresh of the breakfast area & front desk to include granite countertops & new cabinets. New electric doors for the front entrance will be installed as well.

Phase 3~ New parking lot to be completed during the Spring/Summer 2008

Thank you for your patience during this renovation process. We look forward to serving you on your future travels & hope you will enjoy seeing the hotels exciting transformation as much as we will!

Sincerely,

Jeremy Hundt
General Manager
