

- We loved the breakfast in the morning. It was very tasty and filling. The gentleman at the front desk that checked us in was wonderful and happy to see us, also very inviting, great personality

Scott – Dover, MN

- The check in clerk was extremely nice, positive about the hotel and her job and made me feel welcome

Michelle – Hayward, WI

- We had a great time!! We will be back soon and also have recommended your hotel to many relatives and friends

Kim – Rosemount, MN

- The night clerk was especially helpful in making me feel welcome and safe. As a woman traveling alone late at night these were both important to me. She walked up to my room with me and checked to make sure everything was fine.

Judy – Spencer, IA

- Enjoyed personnel, and nice and clean. Great meeting room for our group size.

Bill – Mason City, IA

- This may seem silly, but the cookies at the front desk were wonderful and what a nice, friendly touch! We have already told friends about our experience and we intend to be back (I have childhood memories of Northwood). Thank you!

Gerald – Fridley, MN

- I was impressed with the room. It was beautifully decorated. I felt like I was at a fancy hotel that should have cost way more money. Room was big and spacious.

Jody – Kamrar, IA

- This was our first visit. We had a wonderful time and were very pleased with the service and comfort provided. Thank you very much. We are already planning a return trip after attending a party in Austin MN in the next month. I have already told several friends about the nice motel that you have.
