- The girls in housekeeping did an excellent job during my week long stay! I felt that my things were safe while I was gone during the day.

Vonnie – LeMars, IA

- I had a bus load of people that were forced to stop because of a winter storm and the staff was very efficient in getting everyone into rooms. Very impressed.

Michael – Grand Forks, ND

- Lady at the front desk was very friendly and gave us helpful information about what and where we could shop and eat in town. We do quite a bit of traveling and found your continental breakfast to be one of the best provided for the customer.

Todd – Clandeboy, MB CANADA

- It is good to know that Country Inn and Suites is a dependable place to stay while I am away from home. I felt safe and comfortable there, which added up to a good nights sleep. Thank you.

Linda – Grand Forks, ND

- We enjoyed our stay, your staff and YOUR BREAKFAST! When I checked in I was greeted with a nice smile and I felt welcomed. The little note with 2 candies made my day! Actually I felt at home and welcomed.

Rosemary – Highmore, SD

- I was extremely pleased with my entire stay at your motel. When I walked into the room, I couldn't believe how large it was. And it wasn't even a suite. If I ever get to Watertown again, that is where I will be staying.

Matthew – Wisconsin Rapids, WI

- This was by far the best, friendliest staff and cleanest accommodations that I have ever stayed in. It was like being at home. I actually felt like I could take my shoes off and walk stocking or bare foot on the floors. This is a first! Thank you so much for the great staff – they should be recognized for their exemplary work!!!!!!
