

~ Gift Bags ~

On average, 20% of your wedding guests will stay overnight at a hotel. With this added expense, "these" guest should receive a token of your appreciation.

Why not have our staff present a gift bag upon arrival?

Whether drink coupons for the lounge, or a bag of assorted snacks & beverages, the thought will be remembered forever.

I would also include your weekend itinerary.

***Remember a gift regardless of size or amount is
A thought from your heart.***
