"A thousand thanks for all of your help in making our wedding a day to remember. We were so please with the hotel accommodations, the décor, the delicious food, and the friendly staff. We're still talking about how fabulous the celebration was...all of our gusts were so impressed that we were able to plan the wedding from Boston (and then from Florida)! You made that possible. Wedding planning is tough enough...thank you for being so supportive and available. You were always there each time we called. Thank you for treating us "like your only bride and groom".

"The Warwick staff was just so pleasant and professional throughout our entire experience of planning the wedding. But as the weekend of the big event approached – and during it – your courtesy and service was unmatched by any city hotel or banquet hall we've ever been at. Whenever we needed something at the last minute, someone was always able to accommodate us. You managed to impress a diverse group of guests – from New York City to small town Iowa – Thanks again for all your help, thoughtfulness and class. It made all the difference to us."

"Move over Emril Lagasse, Chef Ben Young is here! We were happy to meet Chef Young and appreciated the time he gave us. Our Captain, Alfred did a superior job. He was very accommodating. Thank you for all you have done so far. Your suggestions have been extremely helpful. We know you'll make our wedding a success. At last, I can get a good night sleep! Fondly."
