ARUBA, July 27, 2008 – Radisson Aruba Resort, Casino & Spa has earned accolades from the readers and customers of two leading travel authorities. The landmark resort was the only Aruba property selected among the “Top 20 Hotels in the Caribbean, Bermuda & Bahamas” for *Travel + Leisure’s* prestigious World’s Best Awards.

Additionally, the resort was named to Expedia’s exclusive annual Insiders’ Select™ list for the second year in a row.

“Our team at the Radisson Aruba Resort, Casino & Spa strives to deliver the highest level of service possible for guests, many of whom return year after year,” explains General Manager Gary Jutz. “Recognition of our resort by these two leading travel entities confirms our commitment to service as we strive to continually exceed expectations.”

The *Travel + Leisure’s* World’s Best Awards were determined by the 13th annual readers poll, which lists favorite hotels, spas, airlines, cruise lines, outfitters, cities, and islands around the globe. The Expedia Insiders’ Select list is an annual award based on thousands of customer reviews, recognizing experience and value.
