Resort Room—Double-Double Pool View

Garden Spa—with courtyard

Ultima Suite - Bedroom

Ultima Suite - Lounge

## Resort Rooms

Beautifully appointed comfortable rooms, with a main bedroom (features one King bed or two beds).

The bathroom features shower over bath.

Our Pool View and Golf View Rooms are the same design as a Resort Room but as the names suggest, one offers views over our swimming pool and the other offers golf course views.

The refurbishment of all our Resort Rooms has recently been completed. You will step into a vibrant and elegant room, where comfort and space have been made a priority.

## Garden Spa Rooms

Recently refurbished, our Garden Spa are simply stunning and offer modern look and comfort to accommodate every taste.

The room features two Queen beds or one King bed - and to top it off, your very own private spa inside the bathroom, with separate shower.

Some Garden Spas also have a courtyard with sun beds.

This room is the ultimate family or romantic escape.

## Ultima Suites

These newly refurbished rooms comprise of two separate rooms:

- \* On one side, the bedroom with King bed, featuring a stunning marble bathroom (with private Spa and shower over bath)
- \* On the other side, your very own lounge with dining table and TV Lounge - This room also has a second bathroom (shower over bath)

Between the two rooms, a central entry hall has been placed to create the feel of your very own home and respect your privacy.

All Ultima Suites have double balcony with golf views.

Ideal for the perfect indulgence or a family stay!

All of our Rooms feature deluxe amenities, including direct control air conditioning, ironing facilities, room service, in-room movies and High-Speed Internet Access
