## Food and Beverage Service

The Radisson Los Angeles Westside is responsible for the quality and freshness of the food served to our guests. Due to current health regulations, all food served at the hotel must be prepared by our culinary staff. Food may not be taken off the premises after it has been prepared and served. The sale and service of alcoholic beverages are regulated by the state. As a licensee, this hotel is responsible for the administration of the regulations. It is a policy, therefore, that alcoholic beverages cannot be brought into the hotel from the outside.

## Service Charge

All catering and banquet charges are subject to applicable 21% service charge and 8.25% state sales tax.

## Function Room Assignments

Room assignments are made according to the guaranteed minimum number of guests anticipated. Because these attendance figures may vary from expected attendance, we reserve the right to change room reservations to best accommodate either increasing or decreasing attendance figures.

## Entrée Selection

In the event that your group requires a split menu, entrée selections are limited to a maximum of 2 selections. There may be an additional charge for this service. The hotel requires that the client produce place cards or tickets identifying the particular entrée selected by each guest. If the hotel needs to produce more than the initial amount guaranteed for a specific entrée, the client is responsible for paying for those additional meals.

## Guarantees

A guaranteed attendance figure is required for all meal functions 3 business days prior to the function date and is not subject to reduction. If the catering office is not advised by this time, the estimated figure will automatically become the guarantee. We will be prepared to serve 5% over the guaranteed number for group over 100 guests.

## Menu Pricing and Selections

The quotation herein is subject to a proportionate price increase to meet increased cost of food, beverages, labor, etc. Quotation cannot be guaranteed until 60 days prior to the time that the particular function takes place. Pricing does not include service charge or sales tax. We request that all menu selections are complete at least 30 days prior to event.

## Audio Visual Equipment

We will be pleased to arrange for any audio-visual requirements for your event. The hotel applies a 21% service charge on audio visual which is taxable according to California sales tax law.
