

Congratulations on Your Recent Engagement!

Hello and Thank you for your interest in The Radisson Hotel in Plymouth, where Wedding Dreams really do come true! We specialize in Weddings here and we are more than happy to help and assist you in the planning of your special day, as we know this is the most important day of your life.

We offer many wonderful amenities here at the Radisson. Complimentary parking, Preferred guestroom rates and an award winning Sunday Brunch are a few that your guests will particularly enjoy. Some things that you as a couple will appreciate would be your complimentary room and breakfast for two on the night of the wedding as well as a complimentary Gift opening space for the following day after the wedding.

For the Reception, Dinner and Dance we offer sumptuous food, along with exceptional service and a romantic ambiance that is unparalleled in the area. With the purchase of your food and beverage you will receive complimentary cake cutting, dance floor, risers for your head table and microphone for speeches. We also have options with centerpieces, you may choose our complimentary centerpiece and we also have a very elegant Silver Candlestick lamp available as an upgrade, or you may choose to do your own floral centerpiece and accent with our complimentary votives.

Once you have chosen the Radisson as your Wedding Reception site you will have the opportunity to work with your Catering Sales Manager to choose menus and make all the decisions necessary to make your day the most memorable of your life.

Thank you again for your interest,

Melissa Heininger
