

Hi Lynn,

I just wanted to tell you how happy we were with all the arrangements you provided for us at the Radisson over the past few days. Your staff was so accommodating in every way, from check-in to check-out. And the rooms were wonderful--so comfortable and well-maintained. From the bellhop to the reservations staff to the maintenance men to the housekeeping staff--everyone did whatever it took to make our stay at the Radisson a wonderful experience. Please convey our appreciation to everyone.

Thank you again, Lynn, for your assistance in making our son's wedding weekend a wonderful experience! We hope to be able to stay at the Radisson again in the future. Have a good week!

Linda Kidd
