Dear Guest/s,

Our shuttle-van will drop you at the Petchchaburi Subway station and return to the Radisson hotel, with the exception of 09.30 and 15.30 hrs. the shuttle-van will depart from our sister hotel, the Classic Place hotel.

The bus will wait for approximately 5-10 minutes before returning to the Radisson hotel. You can enjoy the journey for free, if you go there by taxi or return by subway to Petchchaburi station and take Exit 2. Turn left and walk for about 75 meters to the hotel (which is next to the flyover).

We are unable to guarantee that there will be a seat for you, as we do not take advance bookings for the return trip. Therefore the hotels will not be held responsible for taxi fares, should this be the alternative.

Enjoy your shopping and entertainment.

The Management.
