GREEN INITIATIVES

Energy Efficiency:

- Ozone Machine allows the hotel to wash linens with cold water, which conserves gas & energy.
- Low energy lighting in all public areas & guest rooms.
- New energy efficient cooling & heating system. This is equivalent to taking 18 cars off the road per day.
- Occupancy sensors/timers, used control lighting, in meeting space & storage areas.

Recycling:

- Recycling bins in all our guest rooms allow us to contribute 40,000 pounds of recycled material.
- Recycling bins in all meeting and public space.
- All of our disposable items such as: to go cups, to go containers & stationary contain of recyclable material.
- Hotel staff trained to implement environmental policies.
- We proudly serve Starbucks®, coffee selected from their organic and/or their 'Free Trade' line, in Banquets, Copper Canyon Tavern & Grill, and Coffee & News.

Water Conservation:

- Auto flush & sinks in public areas allow us to conserve on water usage.
- We offer & implement a towel & linen reuse program.

Environmental Purchasing:

- The Hotel purchases post-consumer recycled products such as: bath tissue, facial tissue, napkins/paper towels & office paper.

The logo for Radisson, featuring the word "Radisson" in a stylized, cursive font with a registered trademark symbol. A thick, horizontal brushstroke underline is positioned beneath the letters.
